Benefits the Chapter's Scholarship Fund

The Cause...

The National Coalition of 100 Black Women, Inc. Metropolitan Atlanta Chapter is a non-profit volunteer organization dedicated to community service, leadership development, and advocacy through delivering highly effective programs and services that benefit families, women and youth.

The Metropolitan Atlanta Chapter is committed to creating opportunities for African-American female youths so they will grow into self-sufficient adults. Our Scholarship Fund provides tuition assistance to young women who show academic improvement in grades 9-12 so they can pursue their education and obtain college degrees. Since 1995, the Coalition has been able to award more than 300 scholarships to young women totaling more than \$550,000.

Because of your participation in Tee Off For Teens, the Metropolitan Atlanta Chapter will be able to touch even more young women with our Scholarships. Thanks to each of you, we will continue to see the results — young women thriving in college and making a significant impact in their communities.

The Course...

The story of Eagle's Landing, "A Haven of Southern Hospitality," begins with a generous gift of natural beauty. There are forests, streams and wildlife intermingled with 18 holes of golf at its finest. It is a premier Par 72 golf course that attracts the highest caliber players, including competitors in the Acura and ESPN Golf Challenge. Designed by Tom Fazio, known as America's Greatest Living Architect, Eagle's Landing has played host to numerous tournaments and is a stop on the LPGA tour. Although downtown Atlanta may be only a 20-minute drive away, the serenity of Eagle's Landing feels a world apart.
